

First Grade Supply List

2020-2021

I have already provided each child with the following list of supplies to help keep things uniformed. I am asking if feasible, for each parent to pay **\$15.00** to help offset the cost for the following items listed below. With all of the unknowns and uncharted waters so to speak that we are facing I felt like this would be the best option for everyone and would take some of the stress off of you all. In doing so, this will allow us to be better prepared for both the virtual and face to face learning. I am also including a small list of items that your child will need in addition to the items I have bought due to specifications. Lastly, I have included a wish list at the bottom with items that aren't required but would be greatly appreciated. I am really looking forward to the opportunity to work with you and your child this upcoming school year. I firmly believe that if teachers, students, and parents work together as a team that this will be a successful year.

Sincerely,

Mrs. Lamb
